

Membership Levels at Public Media Network

Community Content Producer

With a current Community Content Producer membership, you receive access to the Public Media Network studios, and equipment library. You receive discounted rates for our production services and media training programs. Your content is shared through our distribution platforms and hosted on-demand for at least 30 days on our Roku, Apple TV, and podcast channels.

Community Content Creator

With a Community Content Creator membership, Kalamazoo County residents receive access to the Public Media Network studios and equipment library. Content Creator members receive mentorship and training to help you with your projects. Your content will be shared through our distribution platforms and hosted on-demand for at least 30 days on our Roku, and Apple TV channels.

Volunteer

Public Media Network and our Community Content members provide volunteer opportunities for members of our community to help crew various productions, and assist with other needs. In exchange for a commitment of at least 4 hours per month, volunteers receive complimentary training. Volunteers are not able to reserve facilities or check out remote equipment.

Fees
